

office products, janitorial, furniture, safety & school supply

Capability Statement

Over 30 years of growth and stability, Merrifield's is one of the largest local and family owned Independent Office Furniture Stores in the State of Oklahoma. Partnered with an extensive group of over 30 manufacturers that are inferior to none when it comes to design, quality, price, and warranty. Hard work with determination backed with integrity and always taking care of the customer first mentality has been instilled into this company by Loran Merrifield when he established the company back in 1981 and flows through every team member within the organization to this very day.

Differentiators

We have a strong and successful record of establishing professional business relationships and excellent customer service. We understand that the technical side of our business is only half of what our customers need; professional customer service being the other half. Our past and current customers will quickly validate our ability to provide prompt, professional customer service as well as excellent past performance of the technical services provided.
